Range Rules

In consideration of being allowed to enter or use the facilities and participate in the activities of the Alliance Rifle Club (ARC), I hereby agree to each of the following terms and conditions of this agreement, and my signature below certifies that each has been read and agreed to by me.

1. I have read these Range Rules, a copy of which have been given to me by the ARC. I understand these Range Rules may be amended from time to time and that I am responsible for reviewing the posted rules each time I use the facilities. I agree to obey and comply with the Range Rules, general policies and rules of operation and administration of ARC.
2. I am familiar with and understand the operation of each firearm I will use at the facilities. The word "operation" includes the safe handling, loading and unloading procedures and safety mechanisms and features of each firearm.
3. I understand that ARC highly recommends the use of newly manufactured commercial ammunition at all times at the facilities. I accept full and complete responsibility for the inherent risks resulting from my and/or anyone else's use of reloads or hand loads, including all responsibility for property damage and/or personal injuries to myself and anyone else. I also agree to thoroughly check to be sure that I am using the correct ammunition at all times!
4. ARC members will be issued a membership card annually. Users **must** have the range membership card on their person when using the facilities and show it upon request.
